Select All Done to close the Getting Started screen:

Install Uplink	Configure Ultrasound	Upload Examination	Upload Logo	Configure your account	X You are ready to Tricefy
Completed!					
Congratulations! Your account is now configured and you can begin using Tricefy!					
To get started, check out the Help Center at www.tricefy.help, or select one of the links below. For any questions, issues, or to request additional training, contact the Help Center at 1-858-397-5216 or support@triceimaging.com.					
Learn how to share study images with patients: Patient Sharing					
Learn how to collaborate with other physicians: Doctor Sharing					
Learn how to navigate the study list: Study List Overview					
All Done					

Don't forget - the Getting Started screen is always available within your 🔬 menu.

Refer to the **Related Articles** below for guidance on using Tricefy. If any problems arise, expand the **Support and Troubleshooting** category (on the left side of any help page):

To be contacted by a Customer Success Specialist, select the blue **Contact Tricefy's Help Center** button at the bottom-right corner of any screen to immediately open a Help Desk ticket.
